

LIVING FAITH LUTHERAN CHURCH

# WORSHIP & MINISTRY UPDATES

---

## Worship Changes as a Result of the COVID-19 Virus

Beginning this Sunday, we have decided not to pass the peace with hugs and handshakes. Instead, we will instead ask members to remain seated and wave and hold up the peace sign with their hands if they choose to.

We will be using trays and cups for wine instead of having Communion through intinction, however we will still use pita bread. Please try to take your cup from the tray without touching the other cups. The pastors will drop the host into the parishioners hand without physical contact.

Thanks, for being flexible during this unusual time.
